

HP Color LaserJet Enterprise CP5520 Printer Series

Overview

The HP Color LaserJet Enterprise CP5520 Printer series is optimized for high-quality, high-volume color printing for any workgroup. Easy to use and built for superior paper handling, the device is ideal for printing any business document – from internal administrative and workflow-related pages to customer-facing materials ranging from postcards to presentations to posters, or for fleet printing wide-format color documents. The HP Color LaserJet Enterprise CP5520 Printer series is desktop-sized and requires limited IT intervention; the device also helps reduce the impact on the environment with Instant-on technology, which reduces energy use up to 50%⁽¹⁾, and automatic two-sided printing.^(2,6)

The HP Color LaserJet Enterprise CP5520 Printer series also supports HP ePrint, which allows users the freedom and convenience to print anytime, anywhere from any web-connected device. HP ePrint will be available later this year via a free, opt-in firmware update.⁽³⁾

Key features and benefits

- Handles high-volume color printing for any business document – from internal administrative and workflow-related pages to customer-facing materials ranging from postcards to presentations to posters, or for fleet printing wide-format documents up to SRA3 (12.6 x 17.72 inches)
- Maximize the impact of business documents with and deliver high-quality prints with crisp text, graphics, and colorful, bold images with HP EasyColor and HP ImageREt driver settings plus HP ColorSphere toner technology
- Print from anywhere, anytime directly to your HP printer, from any web-connected device, and streamline document flow from the cloud with HP ePrint Enterprise Solution⁽³⁾
- Increase office efficiency with superior paper handling and a paper capacity for up to 2,350-sheets including a 250-sheet tray, four 500-sheet trays, and a 100-sheet multipurpose tray; walk-up USB port to print directly from—and save scans to—flash drives
- Comes with HP Secure High Performance embedded hard disk⁽⁴⁾ and an access port for an optional Kensington-style lock to help protect important business assets

- HP Color LaserJet CE272A Yellow Print Cartridge: \$399.99
- HP Color LaserJet CE273A Magenta Print Cartridge: \$399.99

Pricing and availability ⁽⁹⁾

- HP Color LaserJet Enterprise CP5520n: \$2,499
- HP Color LaserJet Enterprise CP5520dn: \$2,699
- HP Color LaserJet Enterprise CP5520xh: \$4,399

The HP Color LaserJet Enterprise CP5520 Printer series is expected to begin shipping worldwide on November 1, 2010.

- (1) When compared with fluorescent tubes, Instant-on technology with LED technology reduces energy use up to 50%.
- (2) Automatic two-sided printing is available on the dn and xh models only.
- (3) Solutions may not be available at product introduction. May require an Internet connection to the printer. Feature works with any Internet and email-capable device and may require a firmware upgrade. For more information, visit www.hp.com/go/ePrintCenter.
- (4) HP Secure High Performance embedded hard disk is available on the xh model only.
- (5) Exact speed varies depending on system configuration, software application, driver and document complexity.
- (6) Energy savings based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method on HP LaserJet products vs. top competitive models as of March 2009.
- (7) Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- (8) Actual yields vary considerably based on images printed and other factors. For details see www.hp.com/go/learnaboutesupplies
- (9) Estimated U.S. street prices. Actual prices may vary.
