

When it's time to buy your HP MediaSmart LCD TV, print this guide and bring it with you to the store. You'll be sure to get the exact HP TV you want.

Experience digital entertainment like you never have before with the HP MediaSmart LCD TV.

With this amazing high-definition TV you can bring your pictures, music and videos—your digital lifestyle—from your PC to the comforts of your living room to enjoy. And you do it all with an easy-to-use remote control device.

Videos

Bring your home movies to life on a world-class, high-definition HP LCD TV. Download movies from the Internet to your PC's hard drive, then stream standard-definition (SD) and high-definition (HD) video from your PC directly to your HP MediaSmart TV. Multiple video formats are supported, including DivX, WMV, MPEG-2 and more.

Photos

Share and view your photos your way. Use your HP MediaSmart TV to play slide shows of digital photos from your PC while listening to accompanying music. Photos are rendered in 720p high definition for dramatic photo-realism. You can even search for photos and zoom in and out while viewing. The HP MediaSmart TV supports JPEG, BMP, GIF and PNG file formats.

Music

Do you have a huge music collection stored on your PC? Play your music files wirelessly from your PC using premium 3D-surround technology and 5.1 virtual surround from the HP MediaSmart TV's speakers. Browse your collection by artist, title, album art, play list or genre using the remote control. The HP MediaSmart TV supports MP3, WMA, WMA-pro, Internet radio, and UPnP music services such as Real Rhapsody.™

Online services

The entertainment doesn't end with what you have stored on your PC. Connect to Internet services via your HP Entertainment Services Account to listen to thousands of Internet radio stations with a wide variety of musical and other audio content options. Set your sights on more than 4,000 feature-length films, independent movies (including new releases and high-definition videos), musical concerts and classic television shows. Plus, share your digital photos and present slide shows to friends and family around the world using your HP Snapfish account. Remember more digital services will be added periodically. And you will be able to access them all from your HP Entertainment Services Account with the push of a button!
