## Snowman Holiday T-shirt

### Materials

- Iron-on T-shirt transfer paper
- One T-shirt 100% cotton is preferable, though a 50/50 cotton-polyester blend will work

### Instructions

1. Be sure to print the image onto the iron-on T-shirt transfer paper. Choose transfer paper that will work with your inkjet printer (we used HP Iron-on T-Shirt transfers). Your image will print out in reverse. The art can be found on the following page:
