

Project 2— Customizable BBQ Sauce Label

Materials

- Full-sheet sticker paper
- Glass bottle or jar
- Scissors, X-acto knife, or paper cutter
- Metal edged ruler (optional)

Instructions

1. Customize the labels by adding your name, sauce type, and date in the “click here” text space on the PDF.
2. Print the art onto a full-sheet of sticker paper and set aside to dry.
3. Cut out along the label edge. Apply to the jar or bottle, and you’re ready to present your renowned sauce to the world!

Hint: To remove a label from a bottle, simply soak the bottle in warm, soapy water.
