

1. Cut out clown below and front and back of card on page two and three.
2. See diagrams below to make cuts on inside of card and to fold.
3. Glue front of card to inside of card making sure to position white name panel on front of card when folded. **Do not put glue behind yellow box area of inside.**
4. Fold yellow box forward while closing card to create 3D box inside of card.
5. Place clown into hole in top of yellow box and attach tab to back of card just above the fold line.

Inside of card

Cut where indicated with red lines.

Inside of card

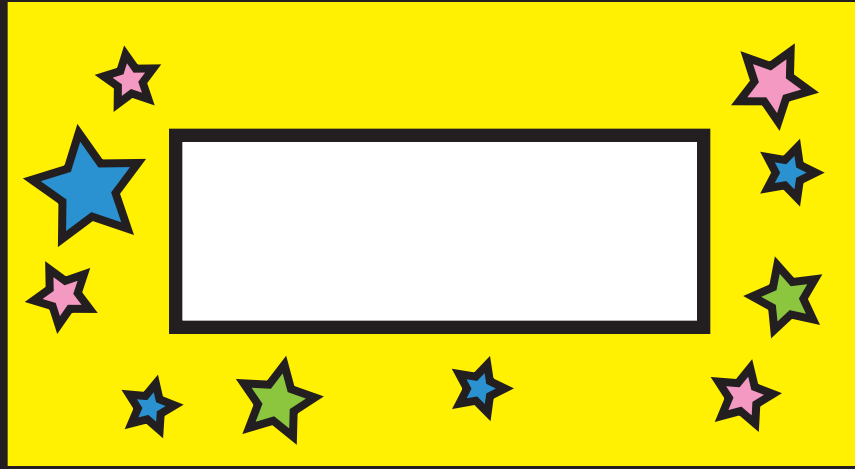

Fold here

Glue Here

Fold this tab back and attach to inside of card just above the fold line of the card.

HP If you can imagine it, you can print it.
