

Bunny Mask and Ears

1. Print on stiff paper.
2. Cut out the "ears", "bunny face" and headband for ears.
3. Fold the tabs on the ears and affix the bottom of the ears to the headband with tape so the ears "stand up".
4. Use a paper puncher to punch holes in the ends of the headband and in the "cheeks" of the "bunny face"
5. Tie the "ears" and headband to the "bunny face" using an elastic band.
