

Instructions

For best results printing out your bag, follow these simple instructions:

1. Place a standard (white or brown) lunch bag facedown on a piece of 8-1/2" x 11" paper.
2. Tape the top (open) edge of the bag to the top edge of the paper.
3. Insert the bag and paper into the printer with the bag side facing down.
4. Select print from the File menu.
5. Print from page 2 to page 2 to print your Halloween Trick or Treat Bag!
