

Scrapbook page instructions:

1. Print the "Vacation..." page on stiff paper such as hp photo paper.
2. Print the "Paste Photo Here" page on hp bright white inkjet paper.
3. On the "Vacation..." page, use an X-ACTO knife to cut around the summer fun symbols on the dashed lines to create windows.
4. Glue photos over the circles on the "Paste Photo Here" page, and affix this page behind the "Vacation..." page. Each symbol window should open to reveal a fun summer moment.

...Vacation... BBQ... Picnic... Camping... Swimming...
